This Document is the change of Author for All Journal published by **Lujosh Ventures Limited** an electronic publisher based in Nigeria.

OUR JOURNAL

Request form to change Corresponding Author

This form is strictly for changing the corresponding author of a manuscript prior to the publication. Are you the current corresponding author for the manuscript submitted and you wish to assign one of your co-author(s) as the new corresponding author for the submission? Then kindly complete this form and append your signature in the section A.

If this request is on behalf of the current corresponding author, kindly complete the form and get signatures of all co-authors in section B. Kindly note that it is mandatory that the new corresponding author is one of the listed co-author(s) and must have been registered in the journal submission system.
